School Supply List 2011-2012

This list is provided for families who **did not** purchase supplies through the APT-sponsored *School-Pak* program AND for additional supplies that are not part of the *School-Paks*. Teachers may request additional supplies, and supplies may need to be replenished throughout the school year. Certain items, such as calculators and language dictionaries, may be used from year to year if the brand or model number has not changed. Check with your child's teacher if you have any questions about requested supplies. **Please note:** school supplies are not included in the "consumable materials/technology" school fee.
