THE KRISTEN HUGHES H.U.G.S. PROGRAM NOVEMBER 1-15, 2010

Thank you District 67 for participating in the H.U.G.S. food drive again this year! A number of food pantries in our neighboring communities serve families in need, and the food you collect will be sorted in to grocery bags making a complete dinner for a less fortunate family. Together, your contributions will fill the dining room table for another family this year.

Students are asked to bring their one item to fill the box located in their classroom.

Half-Day Kindergarten:	can of green beans
All Day Kindergarten:	can of pork and beans
1 st Grade:	can of yams
2 nd Grade:	corn muffin mix
3 rd Grade:	can of fruit cocktail
4 th Grade:	64-ounce apple juice

All children are invited to bring in spare change for our monetary collection to purchase fresh turkeys!

Thank you for your support and involvement and for helping to raise charitable children!

The H.U.G.S. program was created in 2004 by LFHS graduate, Kristen Hughes. After delivering more than 800 Thanksgiving dinners to families in need, she received the Lake County Cares (formerly the Volunteer Center of Lake Forest/Lake Bluff's) 2007 "Heart of the Community Award." Thank you for helping us continue Kristen's tradition of service for the program's 6th year. This program benefits food pantries in Lake Bluff, Highwood, North Chicago, Waukegan and Zion.

Lake County Cares is a 501(c)3 organization. www.lakecountycares.org
