

**LAKE FOREST SCHOOL DISTRICT 67 &  
LAKE BLUFF SCHOOL DISTRICT 65  
PRESCHOOL SCREENING  
FRIDAY, APRIL 15, 2011**

Lake Forest School District 67 and Lake Bluff School District 65 are providing free educational screening for preschool-age children who reside in Lake Forest and Lake Bluff.

Three, four, and five year-old children who have not entered Kindergarten are eligible for the preschool screening. The purpose of screening children is not for advance placement in school, but to help parents identify development lags in their children. Developmental delays can be observed in a child's speech and language, fine and gross motor skills, learning ability, or emotional and social growth. Nurses also complete a brief vision and hearing screening.

It is not necessary for a child to be screened in all areas, only the areas with which there is concern. In order to participate, a child must be registered in advance. After the child is registered, a packet will be sent home. Parents are asked to complete several necessary forms, which should be brought on the day of the child's screening.

To schedule a child's preschool screening appointment, please contact:

**Carole Racansky  
Department of Student Services  
847-604-7422**

Screening will take place at:

**Lake Forest School District 67 Administration Center  
300 S. Waukegan Road  
Lake Forest, IL 60045**

**Which is located at the Lake Forest High School's West Campus building  
on the second floor in Seminar Rooms A, B, and C.  
Please park in the southwest lot and enter at the west entrance under the blue canopy.**
