Agenda Items

Reflection

- For this meeting, the group decided to skip positive words so that we could begin reflecting, which ultimately would bring about positive words. First, group members completed a “we liked, we learned, we wish” activity independently. Then, the group engaged in sharing. The group shared a number of accomplishments, key ideas, and plans for next year. A primary theme was around ways to connect with parents/families.

Bodacious Bus Families Initiative

- The EWC sub-committee of students, parents, bus drivers, D67 director of transportation, and District EWC members will meet in May and June.
- Goal of group is to review survey feedback and make recommendations moving forward on ways to create/maintain Bodacious Bus Families.

Custom Cover Contest

- Group members judged more than 30 entries from all schools and agreed on a winner.
