

Dear Parents,

There are a lot of exciting things happening in 6th grade social studies this year, including 3 Culture Fairs. The Fairs enhance and enrich the 6th grade curriculum with knowledgeable speakers, cultural activities and a “taste” of regional cuisine. (Note that menu planning includes the school nurse. Please list any food allergies below).

This year’s Fairs are:
SW Asia/Middle East, Dec. 9, 2011 Africa, Feb. 24, 2012
Asia, April 27, 2012

In order to help defray the costs of the Culture Fair program, we are asking that you contribute \$25.00 per child. Checks should be made payable to the DPM Activities Fund and returned to your child’s social studies teacher, with the completed form below, no later than October 14th.

In addition, we know that our parent community is a great source of information. If any of you have lived, traveled or have some other connection to these regions, please indicate your willingness to be a presenter or to send in artifacts for use at the Fairs on the form below.

Thank you for supporting the social studies curriculum and the Culture Fairs!
Katie Gundelach Lisa Makoul Taylor Monroe

Student Name: _____ Homeroom Teacher: _____

- Enclosed is \$25 payable to the DPM Activity Fund

- I would like to be a presenter for the SW Asia/Middle East Fair (12/9/11)
