

8th GRADE VIDEO

This year's 8th Grade DVD will have a new twist from prior year's DVDs. Here are some of the new features:

Candid photos of the 8th graders having good times with their friends at various events, sports, lunchroom, homeroom and other school activities that have occurred throughout their last year at DPM. Video footage of the students in some special scenes as created and directed by the DVD student committee. Music selected by the DVD student committee and approved by the parent volunteers. Length of DVD will roughly be around 30 minutes and not to exceed 40 minutes in order to provide the viewer with a more enjoyable experience. The cost is \$20.

The ordering deadline is Monday, April 26th.

8th GRADE BEACH DAY

Beach day has been scheduled for Thursday, May 27th. The 8th grade class will be visiting Forest Park Beach from approximately 10:00am – 2:30pm. More information regarding lunch and the events planned for that day will be forthcoming at a later date.

This year has been a great experience for all of us and we look forward to all of the graduation activities and the many memories yet to come. We could not have done this without the generous support of the parents, teachers and students, who have donated their time and talents. Thank you.

Sincerely,
