

Chess Wizards

Offered through Brainstormers

Sheridan School

Grades K – 4
Instructor: Chess Wizards Staff

Let your child be part of a successful local chess academy. Chess Wizards is offering specifically designed classes that cater to all levels of chess ability. Each child is challenged by fun games and lessons from real Wizard teachers.

It is proven that chess enhances cognitive development in children, improves both verbal and mathematical skills, and increases all levels of academic performance! Playing chess stimulates the mind and helps children strengthen skills such as focusing, visualizing goals, abstract thinking, and forming concrete opinions. *(description taken from Chess Wizards)*
